The mounting possibilities with the Grantour Travel Bag are endless. Along with superior design and quality, the Grantour Travel Bag offers ten pockets inside and out to safely store your essentials. If it's raining, it's no problem. The included rain cover will protect your bag and the items stored in it. The retractable lock brings a new level of security to protect your belongings if you are away from your bike. If you choose to take the bag with you, the Grantour Travel Bag is equipped with a comfortable and stylish handle. The Grantour Travel Bag's adjustable backrest pad brings increased comfort to the rider when mounted on the passenger seat. Go ahead. Pack up and hit the road. The Grantour Travel Bag is right behind you.

IMPORTANT

Kuryakyn is not responsible for improper loads or unsafe positioning of the Grantour Travel Bag. Be sure the weight of the contents in the bag does not in exceed safe limits. It is the riders responsibility to determine what the safe limit is based on the position of the bag, proper securing of the bag and weight limits called out by the manufacturer of the motorcycle.

The following are guidelines and suggestions for many common mounting situations:

FIG.1 shows the Grantour Travel Bag mounted on back of the sissy bar on a luggage rack. The Hook and Loop straps are crossed to give additional mounting support to the bag. On some models it may be necessary to cross the additional straps underneath the bag for added support.

FIG.2 shows the Grantour Travel Bag mounted on the passenger seat. This is where the adjustable backrest pad will give the driver added comfort.

FIG.3 shows how the Two Piece Under Seat Mount is placed under the passenger seat. It may be necessary to remove the OEM rubber pads from the bottom of the passenger seat pad in order for the Two Piece Under Seat Mount to fit properly. The passenger seat must be firmly secured over the Two Piece Under Seat Mount to keep it in place.

FIG.4 shows how to cinch the Hook and Loop straps correctly. Pull the straps tight and be sure the Grantour Travel Bag is totally secure.

FIG.5 shows how to hide any excess Hook and Loop strap by tucking them in around the Loop.
